

2020 Pride of Baker Rehearsal Procedures:

-Band Parking: Upper lot of the main parking lot in front of the main building (right across from the baseball field). *NOT THE GYM PARKING LOT

-This is our designated parking area. You are not to park in any other lot even if the others aren't in use.

-Car Riders: drop off will be in the main drive just below the stairs that lead up to the concourse

-Temperature check point: ALL students and staff are required to have their temperature scanned before entering the building. We will start checking temperatures approximately 20 min before the scheduled rehearsal. Car riders will be checked upon exiting the vehicle, and drivers must come through the checkpoint before entering the concourse.

-PLEASE CHECK YOUR TEMP BEFORE LEAVING THE HOUSE. Anyone running a fever will be sent home.

-Entrance/Exit: All students will **enter** through the side door in the breezeway and **exit** through the back door facing the band field. Everyone MUST WEAR A MASK UPON ENTERING THE BUILDING.

-Instrument locker rooms will have an Entrance and an Exit. Masks must remain on. Please adhere to this for the safety of you and others.

-Rehearsals:

We will use multiple rehearsal locations within and without the building to maintain social distancing. Your spot will be marked with tape or some other type of indicator. These spots will be at least 6 feet apart.

-All students must bring their own water supply (bottles, jugs, coolers) and have their name marked on it.

-Restroom and water breaks will be issued in small groups at the discretion of the directors in order to limit close gathering.

-After Rehearsal: We will do our best to adhere to social distancing guidelines as we pack our things. All cases/handles must be sanitized before returning back to the locker.

**Sanitation supplies will be provided while they last. We recommend all students have their own supply of hand sanitizer and/or wipes.*

No one is allowed to hang out or convene after rehearsal is over. All students must leave straight to their car or available ride.

**Although we understand it is convenient, we advise against carpooling if at all possible.*

-TAKE ALL PERSONAL BELONGINGS HOME EACH DAY...including band shoes! We will not be able to maintain the "Lost and Found Can" and still be in compliance with these safety guidelines.
